

Greystone Homes' team is dedicated to quality workmanship which extends through every phase of the home building process.

Throughout every step of the home building process, Greystone Homes is dedicated to the highest standards of quality. It is this principle that has earned the Greystone Homes team a reputation of respect and has positioned them as one of the West's leading builders of the nineteen nineties. Greystone Homes offers you the comfort of knowing your new home has been built with quality craftsmanship and materials; making it a warm, safe haven for your family to enjoy the many traditions of home.

A commitment to quality craftsmanship

W E L C O M E T O STILLWATER COVE.

And discover beautiful new homes of the utmost quality located in the heart of the East Bay. Built by Greystone Homes South Bay, Stillwater Cove offers traditional family style homes that meet the needs of today's active families... with formal living and dining areas, spacious family rooms and kitchens, plenty of bedrooms and luxurious master suites.

Best of all, Stillwater Cove is situated near undisturbed marsh land in San Leandro which opens onto the San Francisco Bay. Yet, this peaceful community is near major freeways for commuting and just minutes from the Oakland International Airport. Regional and local shopping, and even an outlet mall, are all so close.

Stillwater Cove... a community of uncompromising value.

- 1 Oakland International Airport

The many traditions of home

A Greystone home is meant to enjoy. It is where families laugh, celebrate and grow up. Where you welcome friends, or escape to a private retreat. Where Thanksgiving dinners begin and quiet summer walks end. Over the years we have been dedicated to fulfilling the dream of home ownership for families throughout California. Creating a heritage of tradition... a history we are proud to build upon.
